connect2

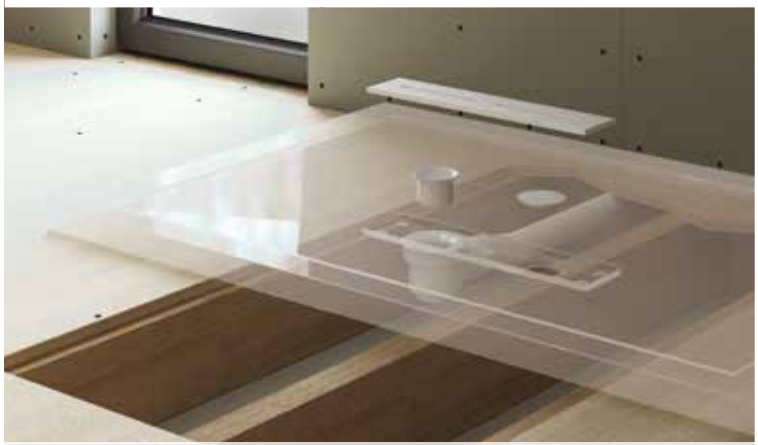
A revolutionary shower tray

The revolutionary connect2 shower tray

The stunning looking connect2 is a uniquely designed shower tray featuring two offset waste positions that ensures an obstruction free connection. Whether square, rectangular or quadrant - whatever the size, the connect2 tray will allow you to connect the waste fitting without the need to reposition joists or raise the tray onto a plinth.

Features

+ Unique design avoids the need to cut joists or lift the tray onto a plinth
+ Guaranteed to work with all standard joist sizes and spans
+ Structural resin bonded stone filler for increased stability
+ Super slim at only 35mm high
+ Supplied with a reinforced colour matched waste cover that is magnetically secured, comfortable underfoot and is easily removed for cleaning
+ Supplied with a dedicated high flow waste



The unique design of the connect2 tray ensures obstruction free waste connection irrespective of joist position or direction.

connect2 trays are supplied with a high flow waste and a blanking plug secured with solvent weld (not supplied) to block the unused waste hole.

Connect2 shower trays now available in 3 finishes

High Gloss Shower Trays

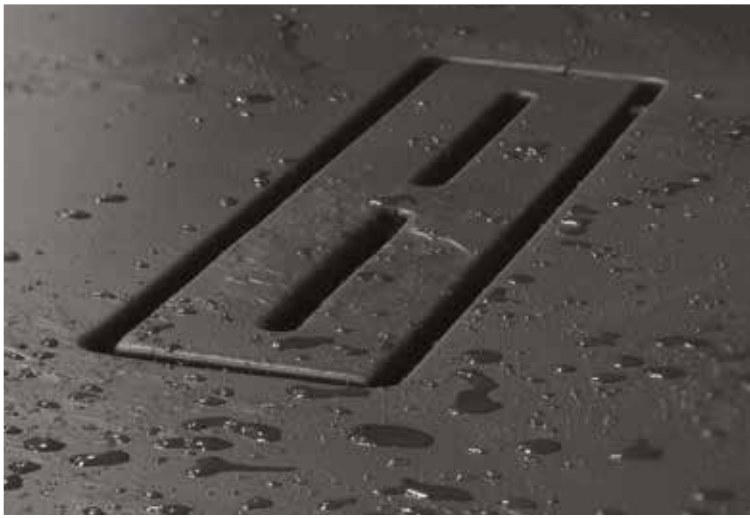
Manufactured from the highest quality materials, which includes an acrylic capped ABS skin, which provide a superb high gloss finish that is durable as well as being resistant to impact damage and staining. waste connection free from joist obstruction.

Slip Resistant Shower Trays

Connect2 SR Trays feature the latest development in surface material which exceeds all EU standards for barefoot bathing. The slip resistant properties are embedded in the material, rather than a coating on the surface, meaning it cannot be removed and is comfortable to stand on. The textured surface provides a high level of scratch and stain resistance ensuring that your tray maintains a pristine appearance throughout its lifetime.

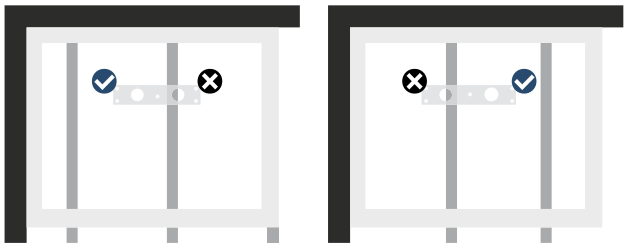
Slate Effect Shower Trays

Connect2 slate effect trays feature an exclusive surface pattern, taken directly from a piece of local slate, for a truly authentic finish. The acrylic capped surface is slip, stain and impact resistant and contains an anti-microbial additive to inhibit the growth of bacteria and mould.

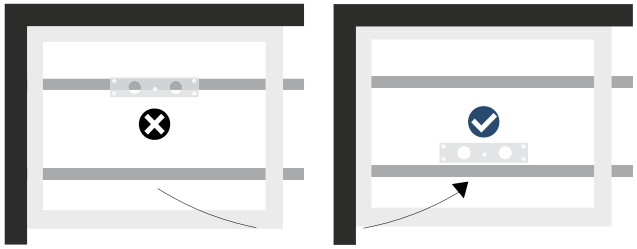


A revolution in shower tray design

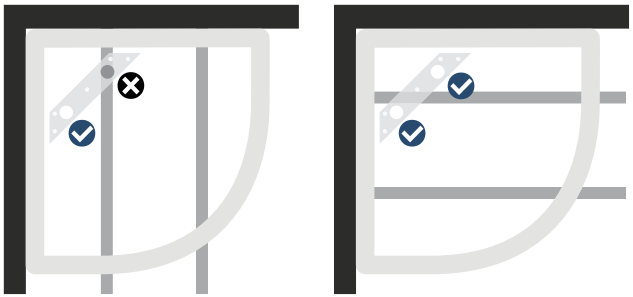
Whether square, rectangular or quadrant - whatever the size, the connect2 tray will allow you to connect the waste fitting without the need to reposition joists or raise the tray onto a plinth.



Where joists run parallel to the width of the tray, at least one hole will always be clear.



Where joists run parallel to the length of the tray and both holes are obstructed, simply turn the tray 180°. The unique offset position will ensure both will become free.



With the unique connect2 design even Quadrant and the Kudos unique Full Curve shape trays have the ability to avoid joists.

The unique design of the connect2 tray ensures obstruction free waste connection irrespective of joist position or direction.

connect2 trays are supplied with a high flow waste and a blanking plug secured with solvent weld (not supplied) to block the unused waste hole.

connect2 trays are supplied with a stylish colour matched linear waste cover, magnetically secured and reinforced for comfort and stability underfoot.
